Interim Executive Principal Theresa Rogers

Date: 09/07/2015

Dear Parents/Carers

As you may be aware our academy was inspected by Ofsted in June, so I wanted to let you know the outcome of their report.

Before commenting on the report itself I want to congratulate all of our pupils for the way in which they conducted themselves during the Ofsted visit. The inspectors noted that our pupils are kind and considerate, and noted the positive attitude and relationships they have with the teachers and each other.

We were pleased to see the hard work and commitment of all our staff, pupils, parents, governors and Academy Transformation Trust recognised by Ofsted. Their report says:

- There is an upward trajectory of improved achievement
- We are making inroads to ensure further improvements in teaching
- The work to keep pupils safe and secure is good
- The school is positive in promoting an inclusive culture
- Our early years provision was rated as 'Good'
- The academy is well supported by its sponsor, Academy Transformation Trust

All schools can make improvements and we are no exception. Moving forward, we are focused on continuing to improve teaching at our academy with staff, governors, The Trust and parents all working together to ensure that we continue to make swift progress.

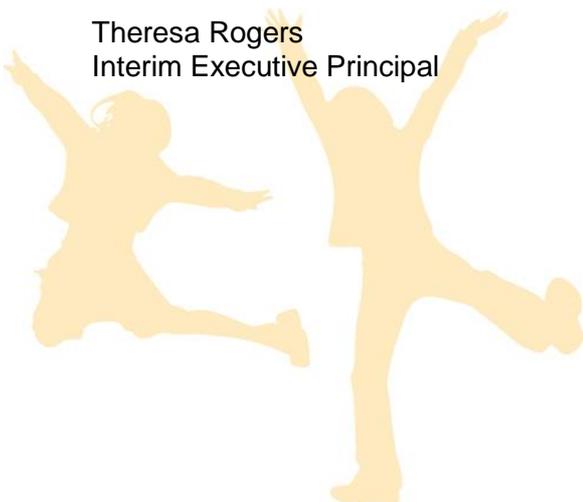

I am available to discuss any aspect of the report or the life at our academy if you have any queries, so please do not hesitate to contact me.

The report is available on our website at www.norwichroad.attrust.org.uk/academy-life/ofsted or from our academy reception.

Finally we will continue to work closely with parents and our wider academy community to ensure future successes and an outstanding education for all our pupils.

Yours faithfully

Theresa Rogers
Interim Executive Principal
