23 June 2016

Dear Parents/Carers

### Guinness World Record Attempt

On Friday 24<sup>th</sup> June the children in years 3-6 will be taking part in a Guinness World Record Attempt at Norwich Road Academy. The attempt is for the world's largest reading lesson and we are one of 75 schools taking part.

The current record stands at 3,509 participants, so we are hoping to help set a new record and share our love of reading in school.

The children will take part in a thirty minute reading lesson at 9am and the text chosen by Guinness World Records is Harry Potter and the Deathly Hallows. The event will focus on sharing the love of reading and reading for pleasure. We have some special visitors coming to witness the event and celebrate reading with us.

Please continue to take every possible opportunity to share your love of reading with your child at home. If you would like to share your love of reading in school with the children please talk to your child's class teacher about opportunities to do this.

I hope you are looking forward to this exciting event as much as us!

Miss M Hartshorn  
Reading Lead
